

Kings' Honey & Truffles

*We are the owners of a store, which sells truffle products in Corazzano, a small village in San Miniato hills .Our company **Tartufi Nacci** has been offering customers the widest variety of truffles for a long time.*

*We are proud to present you with a new product **Kings' Honey & Truffles** .We have created a jar containing honey with small pieces of truffle. The jar features a glass cap, which contains pieces of truffle giving off the same aroma as our product. We grant a discount on the purchase of two jars of our new incredible product.*

***Kings' Honey & Truffles** is perfect for truffle lovers who will have the chance to keep the cap in their kitchen and smell truffles for a long time.*

This new product may contain summer truffles, black truffles , smooth black truffles, or white truffles depending on the season.

Our new product has a lower cost than the other truffle products despite being a fine product and will be available in our store but also at Truffle Exhibitions , where customers can taste our wide range of products.

We hope you will appreciate the particularity and elegance of this product, which offers a sophisticated flavour at a competitive price.
