

iPhone 6

Good morning , ladies and gentlemen,

On behalf of Apple, I wish to welcome you to today's presentation of our new iPhone: iPhone 6. It is a pleasure to present you with this incredible product.

This is the symbol of innovation, modernity and technology. It is light, elegant, fast and attractive. It has got a Retina HD display with 3D Touch, Display Zoom, Support for display of multiple languages and characters simultaneously and a 12 –megapixel camera.

It is ideal to surf the Internet, take and send photos, video calls and vocal messages. It is better than our competitors' versions.

If you buy it now, you can get a free cover.

Well, I hope you enjoyed the presentation. On the desk, next to the door you will find brochures with all technical specifications and details.

Thank you very much for your attention. Now, are there any questions about it?
