

NATURE INC.

Energy and Nature

Good morning Ladies and Gentlemen.
Welcome to this presentation of our biological products.

Today, our company Nature Inc. has the pleasure to show you our "Energy and Nature" biscuits.

We are proud to present you the healthy characteristics of our biscuits. You can taste them during the day, they are perfect for breakfast in the morning, after lunch, in the afternoon and in the evening.

Our "Energy and Nature" biscuits are exclusively made of ingredients obtained from natural cultivations and are certified from Organic Farming.

Please consider that our biscuits contain only natural ingredients.

Nature Inc. also wants to highlight that our products do not contain Palm oil and they are egg free.

"Energy and Nature" biscuits can be found in supermarkets, bars, bakeries and cafeterias.

Please consider the price of this innovative product is very competitive; it is cheaper than similar products you can find on the market.

The package is pocket-size, attractive and practical at the same time.

We can offer them to you at the promotional price of 1.20 euros with a special discount of 30% for each package.

I hope you enjoyed the presentation of our product. On the table near the door you can taste our biscuits and we will give you a free package to take home. I hope you will find them delicious and tasteful.

Thank you so much for listening.
