

Heart Tag Pendant

Good morning ladies and gentlemen,

Welcome to this presentation of our Heart Tag Pendant by Tiffany & Co.

It is a pleasure to present this incredible product: the new Necklace by Tiffany & Co. The iconic ring introduced in 1969 inspired us.

Let's look at its special features:

Our new Heart Tag Pendant is made of sterling silver and may be engraved with up to three letters.

It is elegant but at the same time practical. If you wear it, you'll look trendy and sophisticated.

It can be worn at any time. It is ideal for an elegant dinner but it is

perfect with jeans, too.

It is perfect both if you are a teenager and you are a smart woman.

We are offering our Heart Tag Pendant at the price of £135. If you want to engrave your necklace there is an additional cost of £20. This Heart Tag Pendant has a warranty that applies for two years.

It is available in our special shops and on our official website. Furthermore, if you insert the special code you will find in our brochures you will not pay for delivery charges.

Well, I really hope you enjoyed the presentation. Thank you very much for listening.
