

# BEAUTY-CASE

Good morning, ladies and gentlemen. Welcome to this meeting. Our company is proud to launch a marketing campaign for our new beauty-case.

This beauty-case is very useful for travellers and it can be customized with your name.

It is easy to use because it has labels inside with the name of cosmetics such as “eye shadow”, “eye liner” “blush” and “lipstick”.

As you can see, it’s stylish and attractive.

This product comes in four colours: **black**, **pink**, **grey** and **purple**.

Our slogan is “**Look good, feel better**”. Thanks to our product you can make up more quickly and feel more beautiful.

Our product is suitable for girls, businesswomen, travellers and women who want to have a well-organized beauty-case.

We are offering this beautiful beauty-case at the promotional price of 25€ . This price makes it very competitive on the market. Some cosmetics and paintbrushes are included in the price.

Well, I hope you enjoyed the presentation and I hope our product will meet your requirements.

At the end of the presentation you can find brochures on the table next the door.

Thank you for listening.
